

August 16, 2016

To whom it may concern,

Vlad Vizireanu was selected as one of ten full participants in the conducting masterclass at the Gstaad Menuhin Festival & Academy 2016. His work throughout the masterclass was exemplary. He shows a natural talent for the craft of conducting and works with the orchestra seriously with energy and emotional depth.

He has much potential and I give him my highest recommendation.

Sincerely,

Neeme Järvi
Artistic Director, Conducting Academy, Gstaad Menuhin Festival
Music Director, Estonian National Orchestra
